Tukwila, WA

Evergreen Picture Framers' Guild

JANUARY MEETING AT STUDIO MOULDING

It's the end of one year and the beginning of yet another. I hope this year treated you well and that next year will be even better! As we start this new year, try to think of ways that you can improve your business presence in your neighborhood. One way you can learn to do that is to attend the meetings that the Guild puts on.

Speaking of meetings, the January meeting will be here very soon. STUDIO Moulding is hosting the meeting and we'll get to see their great facility. It's centrally located in Tukwila and really easy to get to.

The Education Festival is being planned and will be here before we know it. This year's Festival will be better than ever. We've got many new classes planned and "extras" that you'll be reading about in the next issues of the newsletter.

As you surely know, we always have a framing competition as part of the Education Festival. This year's art piece is a Giclee on Canvas. Yes, a canvas. That's a first for our competition. These canvas prints will be available at the meeting in January. You can get yours that night. Now that's another great reason to come to the meeting. The canvas was chosen for a couple of reasons, one of them being that it could easily be put up for sale in your store if you so desire. It doesn't have to just be another sample for your wall.

This issue of the newsletter is smaller than usual. As December is such a busy month for all of us, it just makes sense to tighten the strings and get ready to "spread" out with information about the Festival. The next issues of the newsletter will be bigger than usual. There's a lot of information to be put out and you need to be informed to make the best decision as to which classes you'll want to take. Some of the classes will be quite limited and it will be first come first served. In the past we've had limited classes, but people were able to squeeze in anyway. This year that won't be possible. So if you see a class you're interested in, get your registration in early.

If you'd be interested in hosting a meeting in 2006, just let any of the Officers or Board members know. We'd love to see your store and spend the evening with you. The Guild pays the host \$100 to help cover the costs of hosting.

The Evergreen Jackpot will be \$50 for the January meeting. You can't win if you don't attend. We've had a winner at the two previous meetings but not the November meeting. This could be your time!

Below is the image of the canvas Giclee that we'll be seeing in the framing competition this year. It's by Jennifer Bowman and will be available at the January meeting at STUDIO Moulding. Vibrant red poppies. Be sure to get yours so you'll be ready for the competition.

See you at the meeting in January. Happy new year! Let's get framing!

**THE
EVERGREEN
JACKPOT**

At each EPFG general meeting, there is a drawing for \$25 and it grows by \$25 each meeting until someone wins. All you have to do is attend and you could win the jackpot. We didn't have a winner at the November meeting. That means the Jackpot will be \$50 for the January meeting. Sounds great! You could win, but only if you attend.

HOST A MEETING

There are opportunities available for Members to host a meeting. If you would like to host a meeting, contact any of the Officers or Board members. The Guild offers \$100 to offset the cost of hosting a meeting.

EPFG APRONS

Did you know that the EPFG now has Aprons available for purchase. You have a choice of Navy Blue or Black. The Evergreen Logo is stitched onto the front in Green and Gold. The cost of the Apron is a very reasonable \$20 (tax is included). This apron is adjustable to fit any size. The strap is slipped through the body of the piece enabling it to be adjusted for any height. To purchase one or more, send \$20 for each one plus \$3 postage to: June Bounds (EPFG) c/o William Bounds Gallery, 160 Cascade Place, Suite 103, Burlington, WA 98233 **Make your check payable to EPFG.**

Our President's Pen

by Molly Boone, CPF, EPFG President

Hi Everyone!

Happy Holidays! I hope you have all had a great December. As this year comes to an end, it's time for us all to reflect on the changes that have happened this past twelve months. Some good, some not so good. But, hey, that's life!

I am really getting excited about the new year! It's a new beginning and you know how I love new beginnings! A fresh start. How about trying to look at business in a whole new way.

It's almost time for the Education Festival. I can't believe it's that time again! We've got some really great classes lined up and you'll be reading about them all in the next issues of the newsletter. Be sure and watch for all the articles.

The meeting for January is at STUDIO Moulding in Tukwila. It's going to be the first time for STUDIO to host. Come join us and let's catch up on the latest gossip and we'll fill you in on details about the Education Festival as well. As the new year is a time for new year's resolutions, how about making a resolution to attend all the meetings this year. That's only six (including the Education Festival). It's not so much time and you'll learn a lot too. Hope to see you at the meeting in January, and all year long!

Happy New Year!
Molly

2005 MEMBERSHIP REGISTRATION FORM

Yes, I'd like to join the Evergreen Picture Framers Guild! Dues are \$55.00 per calendar year (March 1 2005-February 28 2006). I'll be able to attend all EPFG meetings at no charge, receive the monthly newsletter for free, be able to check out resource material from the EPFG library and attend any special events such as the EPFG Education Festival in March at a reduced member price. As an option, I can choose to only receive the monthly newsletter for a cost of \$15.00 per year.

HELPFUL HINTS

Ever need a helping hand and not have one around?

Here's a good idea. If you're trying to put a fastener on the back of a picture and need both hands to drive the screw in, just put a piece of double stick tape on the plate and stick it in position. Then your hands are free to hold the screw and the screwdriver or whatever.

Great solution to this type of problem and no harm is done to the framing.
